

# Best Practices - Illinois

Tim Peters- Winter  
Operations Engineer  
Illinois Department of  
Transportation

Peer Exchange 2013

September 11

# Best Practices of Illinois

- Partner with our vendors and suppliers
- Provide the best tools to our employees
- Take the time to listen to their feedback
- Learn from our friends and neighbors

# Take time to visit your suppliers

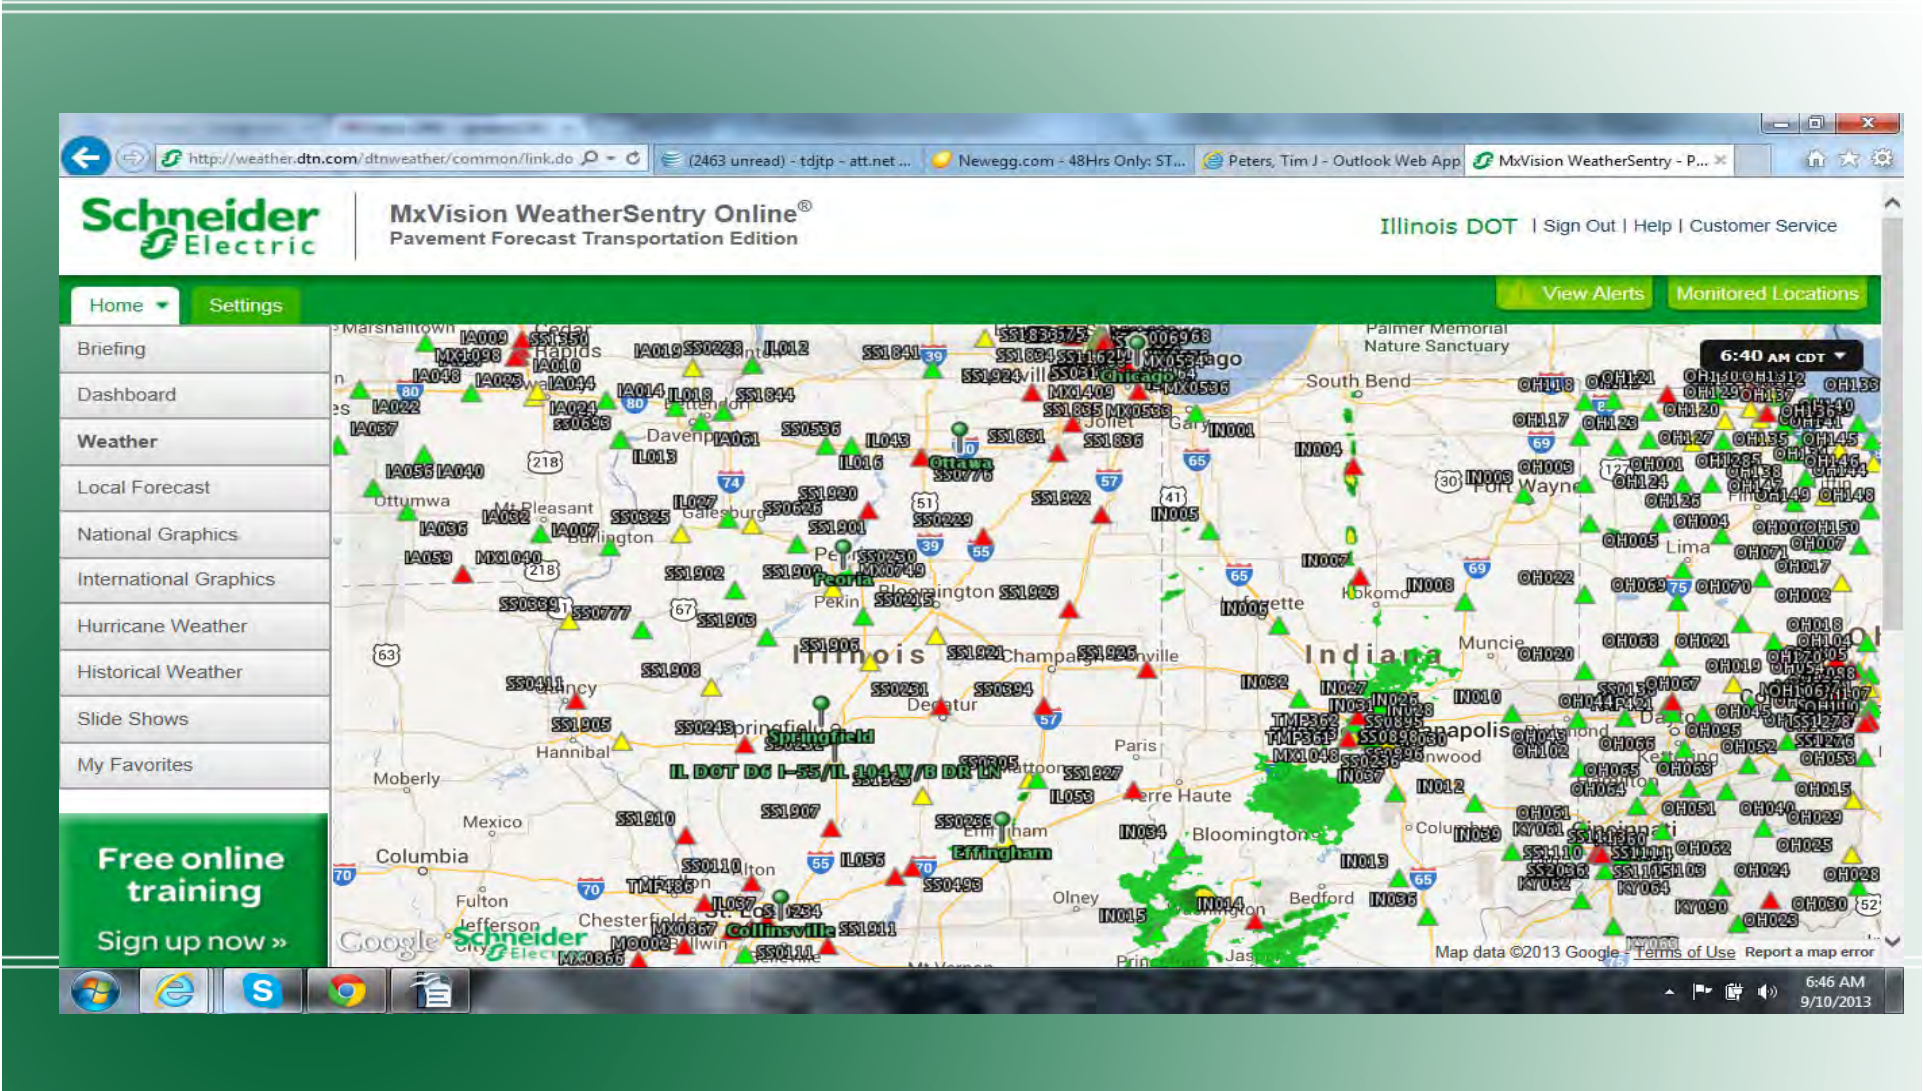

# Get to know the people at your National Weather Service Offices

# Weather Sentry

# New 6x6 Pilot Inspection

# Slurry Generator

# Slurry Generator

# Para-glide wing

Make things easy for your operators and mechanics

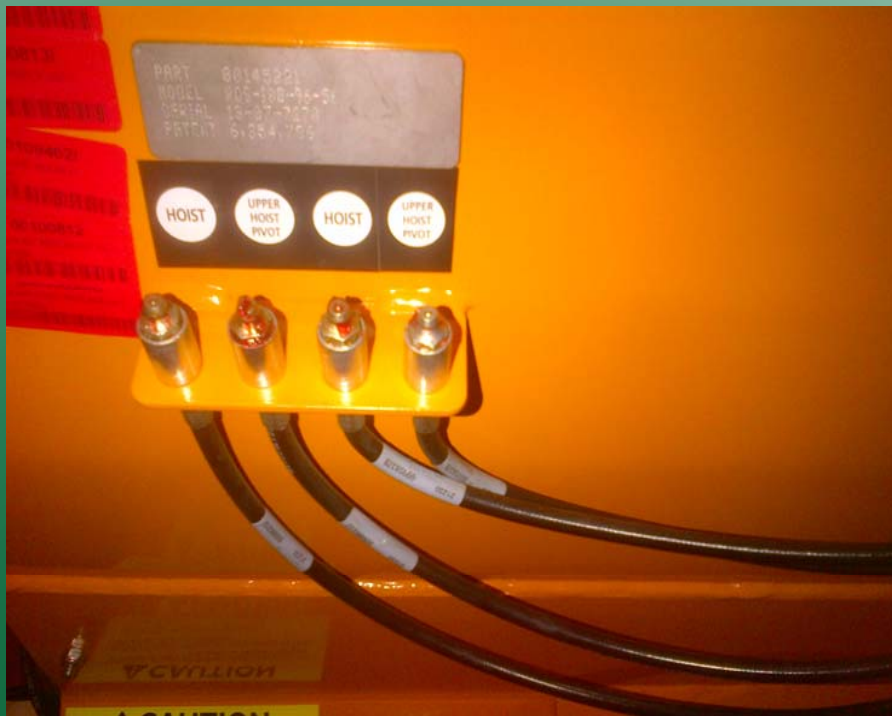

Make things easy for your operators and mechanics

# Make things easy for your operators and mechanics

# Stainless Steel Conveyors

# Brine Tanker

# Have some big equipment, for when it gets bad!

- 

We take time to train our employees and get their feedback

# Take advantage of Clear Roads, Aurora and opportunities to work with other states

# Special Thanks To Allen Williams
