

Naomi Fireman

Naomi Fireman has served the US Fish & Wildlife Service for a total of two and a half years, first as Transportation Fellow for the Potomac River National Wildlife Refuge Complex and then as Advanced Fellow for the Headquarters Transportation Branch. During her time, she has worked on various access and connectivity projects at the national and unit levels. In addition, she detailed as Transportation Coordinator for

the Upper Colorado and Missouri Basin regions for six months. Naomi received her bachelor's degree from Oberlin College and is passionate about sustainable and equitable planning, climate change mitigation, and improving the relationship between humans and their landscapes.
